

China-Africa Cable Tray Installation Manufacturer

Article Overview

Leading Chinese cable tray manufacturers like Tianhong and APEXTRAY provide high-quality, customizable cable tray systems with export and installation support for African projects.

Key Manufacturers and Suppliers

1. Shandong Tianhong Electric Power Technology Co., Ltd. Founded in 2006, Tianhong specializes in perforated trays, cable ladders, trunking, strut channels, and fittings. Their factory uses automated production lines to ensure consistent quality and fast delivery. They offer OEM & ODM services, supporting customized solutions for power plants, data centers, commercial buildings, and infrastructure projects. Their cable trays feature heavy-duty support, excellent ventilation, powder-coated corrosion resistance, and enclosed routing options for neat and safe installations . 2. APEXTRAY APEXTRAY manufactures solid bottom, ladder, and perforated cable trays using galvanized steel, stainless steel, and aluminum. They provide customized designs, installation support, and industry-specific solutions. Lead times typically range from 10-30 days, depending on order size and specifications. Their products are designed for durability, reliability, and ease of installation, making them suitable for African industrial and commercial projects . 3. General Chinese Suppliers Platforms like Made-in-China and Accio list numerous Chinese cable tray manufacturers offering wire mesh, ladder, and perforated trays. These suppliers provide versatile materials, corrosion-resistant finishes, and flexible installation options, catering to both indoor and outdoor applications. Many suppliers also support customized solutions and bulk exports to Africa .
