

Cost-effectiveness of Singapore-style galvanized cable trays

Article Overview

Galvanized cable trays in Singapore typically range from S\$20 to S\$150 per meter, depending on size, duty rating, and supplier.

Price Overview

The cost of galvanized cable trays varies based on material type, tray width, and load capacity. Light-duty trays are generally more affordable, while medium and heavy-duty trays command higher prices due to thicker metal and higher load ratings . Online marketplaces like Lazada offer a wide range of options, often with discounts, bundle deals, and free delivery promotions . Supplier websites such as RS Components and AE Hub provide industrial-grade trays with fast delivery and compliance with standards like IEC 61537 and SS249 .

Typical Price Ranges

- Light-duty galvanized trays (13mm thickness): approximately S\$20–S\$40 per meter .
- Medium-duty trays (25mm thickness): approximately S\$40–S\$80 per meter .
- Heavy-duty trays (50mm–100mm thickness and above): approximately S\$80–S\$150 per meter .

Additional Considerations

- Delivery: Many suppliers offer free islandwide delivery for orders above S\$200, which can reduce overall costs for bulk purchases .
