

Domestic Metal Spectrometer Manufacturers

1075KWHH ESS

Article Overview

Several domestic manufacturers provide high-quality metal spectrometers for industrial and laboratory applications, including OES, ICP, AAS, and XRF technologies.

Key Domestic Manufacturers

- SPECTRO SPECTRO is a leading supplier of analytical instruments, including Arc/Spark Optical Emission Spectroscopy (OES), ICP-OES, ICP-MS, and XRF spectrometers. Their instruments are widely used in metals, chemicals, petrochemicals, and environmental industries, offering precise and reliable elemental analysis with over 50,000 spectrometers installed worldwide .
- Thermo Fisher Scientific Thermo Fisher manufactures a broad range of analytical instruments, including metal spectrometers. Their domestic operations include multiple factories and application centers, providing ICP, AAS, and OES solutions for industrial and research applications .
- LECO and Hitachi These companies offer spark emission and atomic absorption spectrometers for metal analysis. Their instruments are designed for high sensitivity, low maintenance, and versatile laboratory or field use .
- Metal Power Analytical (India-based) Metal Power Analytical produces metal analysis spectrometers suitable for industrial applications, emphasizing accuracy and high-quality results. They provide domestic support and supply for laboratories and manufacturing facilities .

Considerations for Choosing a Domestic Manufacturer

Article Content

Trace Metal Analysis

SPECTROLAB S is designed to supply the fastest possible measurements; greatest throughput; lowest

Elemental Analysis

As a leader in the field of metal analysis, SPECTRO'S handheld XRF and portable spectrometers lead the field as elemental and

Metal Spectrometer Factory, Custom Metal Spectrometer OEM/ODM ...

Looking for metal spectrometer factory direct sale? You can buy factory price metal spectrometer from a great list of reliable China

VAS Spectrometers | Optical Emission Spectrometers for Metal Analysis

VAS Spectrometers is a trusted spectrometer manufacturer in India, specializing in Optical Emission Spectrometers (OES) for metal

Spectrometer for Metal Analysis

Discover precision spectrometer for metal analysis with xrf analyzer for precious metals. CE certified, 0.05% accuracy, ideal for gold

Top 100 Spectrometer Manufacturers in 2026 | ensun

SPECTRO is a leading provider of spectrometers, offering a range of solutions including handheld models

VAS Spectrometers | Optical Emission Spectrometers

VAS Spectrometers is a trusted spectrometer manufacturer in India, specializing in Optical Emission

5 Best Spectrometer Manufacturers in 2025

Spectrometers are essential measurement devices in industries ranging from food and beverage to pharmaceuticals.

Portable Metal Analyzer

The SPECTROPORT portable arc spark spectrometer is ideal for many applications in the metal

Have shown India can design, manufacture high-tech scientific ...

For Metal Power Analytical, the idea of manufacturing spectrometers came after the realization that the country relied

Metal Analyzer

The ARL iSpark Metal Analyzer A growing number of metals manufacturers are turning to

Top 10 Spectrometer Brand & Manufacturers

This section provides a list of the top 10 Spectrometer manufacturers, Website links, company profile, locations is provided for each

Elemental Analysis Solutions & Analytical Instruments | SPECTRO

SPECTRO is a preferred manufacturer in many industries, such as metals, chemicals, petrochemicals, environmental,

20 Spectroscopic Analyzer Manufacturers in 2026

20 Spectroscopic Analyzer Manufacturers in 2026 This section provides an overview for spectroscopic analyzer as well as their

Find SPECTRO WorldWide

Locate your local SPECTRO Analytical Instruments office with our global directory. Find the respective contact information for

ARUN Technology

ARUN Technology has been dedicated to the design, development, manufacture, sales and service of optical emission

Spectrometer for the metallurgical industry

Find your spectrometer for the metallurgical industry easily amongst the 23 products from the leading brands (Bruker, Liebherr,

Spectrometer Manufacturers

A Spectrometer is a scientific instrument used to measure and analyze the properties of light over a specific portion of the

Home | OBLF Spectrometry

We develop, manufacture and distribute emission spectrometers for precise and quick element analysis of metals and alloys. Our

Metal Spectrometer Manufacturers, Suppliers, Dealers & Prices

Find Metal Spectrometer manufacturers, suppliers, dealers & latest prices from top companies in India. Buy from a

Leading Metal Analysis Services & Equipment Provider | Verichek ...

Leading Metal Analysis Services & Equipment Provider | Verichek ...

Optical spectrometer | Belec

Our mobile and stationary spectrometers are designed to carry out accurate and reliable material testing, whether on site or in the

China Metal Spectrometer, Metal Spectrometer Wholesale,

Discover the perfect Spectrometer addition with our Metal Spectrometer. Look for OEM-certified spectrometer suppliers who provide

High performance OEM spectrometers

World's best spectrometers. Engineered for excellence Ibsen offers a wide range of robust, athermal, industrial-grade OEM

Industrial spectrometer, Spectrometer for industrial applications

Find your industrial spectrometer easily amongst the 96 products from the leading brands (Thermo Fisher, ABB, X-rite, ...) on

Elemental Analysis | Spectrometer Manufacturers

Explore how our Optical Emission Spectrometers translate into customer success. Our case studies

Metal analysis spectrometer

Find your metal analysis spectrometer easily amongst the 40 products from the leading brands (Thermo

Spectrometer

A spectrometer is a measuring device that allows you to decompose and analyze the elementary components that make up the

spectral analysis with optical emission spectrometers | Belec

As a German manufacturer, belec has been developing high-precision optical emission spectrometers for metals and alloys for over

Metal Spectrometer

Find here Metal Spectrometer, Metal Spectroscopy manufacturers, suppliers & exporters in India. Get contact details &
