

Ethiopia manufactures cable trays

Article Overview

Ethiopia has several established manufacturers producing high-quality cable trays, including ladder, perforated, and modular types, with customization options for industrial and electrical applications.

Key Manufacturers

- **NAHMA Precision Metal Products:** Located in Addis Ababa, NAHMA produces ladder-type and perforated cable trays along with accessories for electrical and industrial use, offering custom solutions to meet specific project requirements .
- **Cable House:** Operating since 1983, Cable House manufactures a wide range of cable trays, crimping tools, cable ties, and industrial connectors. They provide durable, high-performance products suitable for both national and international markets, with options for customized solutions .
- **Micro Sheet Crafts:** Established in 2006, this company offers modular cable trays fabricated from high-grade steel. Their products undergo stringent quality tests and are designed for durability and reliability, with competitive pricing and customized packing options .
- **Brilltech Engineers Pvt. Ltd.:** Founded in 2007, Brilltech provides standard and customized cable trays, supported by a modern manufacturing facility and ISO-certified quality standards. They cater to industrial clients and ensure compliance with international quality benchmarks .
