

Fiber Optic Cable Signage Price

Article Overview

Fiber optic cable signs typically range from \$10 to \$50 per sign, with custom options and discounts available.

Standard Pricing

Basic fiber optic warning signs made from durable materials like vinyl or laminated plastic generally start around \$10 to \$20 for standard sizes and stock designs . These signs are suitable for both indoor and outdoor use and are designed to last 10+ years in outdoor conditions . Many suppliers offer free shipping on orders over a certain amount, often around \$29.95 .

Custom Signs

Customizable signs, which allow you to add company information, cable routes, or specific warnings, are slightly more expensive. Prices for custom buried fiber optic cable signs typically start at \$25 to \$50, depending on size, material, and printing method . Materials include 3.5 mil thick flexible vinyl with permanent acrylic adhesive, and printing options include screen printing or digital printing . Custom signs often come with fast shipping and promotional discounts, such as 10% off for online orders .

Additional Options

Beyond standard and custom signs, suppliers also offer high-visibility reflective labels, warning tapes, posts, and markers for underground fiber optic cables . These products vary in price based on size, material, and visibility features, with small labels or posts starting around \$5-\$15 and larger reflective markers or posts costing \$20-\$40 each .
