

Monaco Mesh Cable Tray Manufacturer

Article Overview

VALDINOX and Eurotray are leading manufacturers of metal mesh cable trays suitable for Monaco and European markets.

VALDINOX

VALDINOX specializes in wire mesh cable trays, supports, and accessories, offering high production capacity and advanced installation systems. Their EASYCONNECT® system reduces installation time and costs by integrating a one-click fixing system, leveraging the elastic properties of steel for enhanced strength and safety. VALDINOX produces over 15 km of trays per day, ensuring timely delivery for large-scale projects. They also provide custom-made solutions to meet specific project requirements, making them a reliable choice for industrial and commercial installations in Monaco .

Eurotray

Eurotray, based in Turkey, is a well-established steel manufacturer and solution partner with nearly 40 years of experience in the steel industry. They offer a wide range of cable management systems, including galvanized and wire mesh cable trays. Eurotray provides solutions for various industries and emphasizes durability, reliability, and compliance with international standards, making them suitable for projects in Monaco .

Other Notable Manufacturers

- Emit Metal: Produces metal cable trays, ladders, and trunking systems with a monthly production capacity of over 1000 tons, suitable for large-scale industrial projects .
