

Myanmar cable tray manufacturers meeting national standards

Article Overview

Several cable tray manufacturers in Myanmar produce high-quality, standard-compliant products suitable for industrial, commercial, and residential applications.

Leading Manufacturers

Jeetmull Jaichandlall (P) Ltd. is a prominent manufacturer offering cable trays in various sizes, shapes, and colors. Their products are designed to meet industry standards, with modern manufacturing facilities and expert supervision ensuring high-quality finishing and durability suitable for multiple sectors including construction, mining, and automotive . Cable House has been operating since 1983 and provides a wide range of cable management solutions, including cable trays, crimping tools, and industrial connectors. They emphasize strict quality control and adherence to industry norms, offering customized solutions for both national and international markets . MYD supplies cable trays, trunking, and ladder systems suitable for residential, commercial, and industrial use. Their products feature standard dimensions ranging from 50mm to 700mm in width, with customizable designs and colors available upon request, ensuring compliance with technical and safety requirements .
