

Slovakian Stainless Steel Cable Tray Standards

Overview

SFSP cable trays and accessories from SFSP are manufactured from steel sheets in accordance with BS EN 10130/BS EN 10131/ BS EN 10051, complying with BS EN 61537:2023, and NEMA standards, and as per cabling standards CENELEC EN 50173-1; EIA/ITA 568 A; ISO/IEC 11801-1:2017. Cable Trays are designed to meet most requirements of cable and electrical wire installations and comply to local and international standards of fabrications and finishes. Our main aim is to provide the best services to our valuable customers worldwide. KYM Cable has achieved recognition as a brand known. One of the most recognized frameworks globally is the IEC standard for. Visit our Download Center to access 'Download Cable Tray' resources, including detailed manuals, CAD files, and specifications. Products tested and certified in the United States by U. regulations and standards are likely to have to be retested and re-certified to EU requirements because of the European Union's differing approach to the protection of the health and safety of consumers and the environment.
