

Tajikistan Fiber Optic Adapters

Article Overview

Energy-saving fiber optic adapters can be sourced in Tajikistan through verified manufacturers and suppliers offering direct delivery and trade intelligence.

Verified Buyers and Import Data

Tajikistan has a growing market for fiber optic products, with 1,255 verified buyers actively importing fiber, optical, and cable products from over 1,000 global suppliers between June 2024 and May 2025 . Key importers include OOO GURDZOD, OOO RAUZA, and LLC ASRORI ANSOR, which together account for a significant share of the market . Import data shows that Tajikistan sources most fiber optic products from Russia, Turkey, and Uzbekistan, reflecting established trade routes . This data can help exporters identify buyers likely to purchase energy-efficient adapters.

Manufacturers and Suppliers

Several manufacturers and suppliers provide fiber optic solutions suitable for energy-saving applications:

- **Advanced Fiber Solutions:** Offers a wide range of fiber optic products with door-to-door delivery in Tajikistan, including spare parts, repair, and after-sales services. They serve multiple cities and provide reseller pricing, making them a reliable local stockist .
- **UnitekFiber:** Produces MPO/MTP cables, fiber optic patch cords, SFP optical transceivers, patch panels, and outdoor fiber cables. Their products are widely used in 4G/5G networks, data centers, and cloud computing, and they can supply energy-efficient adapters directly to international buyers .
