

Types and Prices of Industrial Cable Trays

Article Overview

Industrial cable tray prices range from \$0.80 to over \$76 per unit depending on material, type, and bulk order quantities.

Overview of Pricing

Industrial cable trays are available in a variety of materials and designs, each affecting the price:

- **Stainless Steel (SS 304):** Durable and corrosion-resistant, suitable for harsh industrial environments. Prices typically range from \$15 to \$34 per unit in retail, with B2B bulk prices as low as \$0.92 for large orders .
- **Aluminum and Galvanized Steel:** Lightweight and cost-effective, commonly used in commercial and industrial installations. Bulk prices on platforms like Alibaba range from \$0.80 to \$76, depending on size and specifications .
- **Fireproof FRP (Fiber Reinforced Plastic):** Used in environments requiring high safety standards. Prices are generally higher due to specialized material and compliance requirements .
- **Wire Mesh and Perforated Trays:** Ideal for flexible cable management and ventilation. Pricing varies with dimensions and load capacity, often in the \$1-\$50 range per unit for bulk orders .
