

Which manufacturers sell communication pigtails

Article Overview

Leading manufacturers of communication pigtails include FS, Norden Communication, Baymro, EFB-Elektronik, and various suppliers listed on ThomasNet, offering both fiber optic and electrical pigtails with customizable options.

Fiber Optic Pigtail Manufacturers

- FS offers fully manufactured and tested fiber optic pigtails suitable for field splicing and communication device connections, adhering to industrial standards for quality and performance .
- Norden Communication is a global supplier providing fiber pigtails for worldwide distribution, emphasizing competitive pricing and reliable supply .
- Baymro manufactures professional-grade fiber optic pigtails with precision engineering, available in single-mode and multimode variants, supporting SC, LC, FC, ST, and E2000 connectors, including APC polish options. Their products undergo rigorous quality control, interferometer testing, and video inspection to ensure low insertion and return loss .
- EFB-Elektronik produces both standard and custom fiber pigtails, including OM3 and OM4 specifications, with fast availability from stock. They offer LC, SC, and E2000 connectors and provide consulting and custom fabrication services for specialized network requirements .
